registered for 20 hours with NESAs

ACTION LEARNING IN ACTION

Join Pip Cleaves 4 times over the academic year as she guides and supports you to choose a focus, create a driving question, learn skills, design a pilot, evaluate and implement an ICT related strategy to improve teaching and learning in your classroom or school. At the end of the year, you will have a successful strategy that you can share far and wide.

This program will meet for workshops in Week 7 of each term at:

Sydney Cohort: Cumberland HS

Hunter Cohort: Kurri Kurri HS

COST \$1,000 +GST PER PERSON FOR
4 WORKSHOP SESSIONS AND ONGOING
SUPPORT OVER THE 2018 ACADEMIC YEAR
